Superbike Stand & Front Lift Arm

Key Features:

- ✓ Simple, safe one person operation guaranteed.
- ✓ Fits virtually all sports bikes including single sided swing-arms.
- ✓ Fitting takes just a few moments.
- ✓ Bike stays extremely secure when in position.
- ✓ No tyre flat spots & suspension off loaded. Perfect for storage.
- ✓ Allows full maintenance to the bike. Even the swing-arm can be removed. (With optional adapter)
- ✓ No parts to be fitted, your bike stays totally standard.
- ✓ Multi award winning product, 1000's of satisfied customers worldwide.

Note: The front lift arm will fit any existing superbike stand new or old.
